# THE GOON!

FOLD HERE AND TAPE

FOLD HERE AND TAPE

## THE GOON Pumpkin Carving Template

**Step 1:** Print pattern. **Step 2:** Tape pattern to pumpkin. **Step 3:** Transfer pattern to pumpkin: Using small-tipped object, poke along every hard line in the pattern. You will be carving out the black shapes from the pumpkin. When the poking is done, remove paper. Trace over the poked holes with a Sharpie or ballpoint pen. **Step 4:** Carve out!
